Released By Secretary
Cortelyou Does Not
Abate Crisis

OTHER BANKS FAIL TODAY**Run Continues on the Trust**
Company of America**Heavily Guarded Wagons Bail Funds**
to Banks—Great Financiers
to the Rescue.

New York, Oct. 24.—Their fears unallayed by announcement of the precautions taken by the government and financial interests to check the panic which threatened yesterday, a baker's dozen of worried-looking depositors had gathered in front of the Trust Company of America's downtown offices at 3 a. m. today, and as day dawned the throng grew steadily greater.

Heavily guarded wagons began rumbling through the streets long before sunrise bringing to the beleaguered institutions big installments of the funds released from the subtreasury by Secretary of the Treasury Cortelyou to ease the strain on the banking houses.

Secretary of the Treasury Cortelyou announced after the meeting that he had directed the release of \$25,000,000 from the subtreasury. Not less important than the secretary's statement was John D. Rockefeller's announcement of his faith in the soundness of conditions.

J. P. Morgan, who participated in the conference, issued no statement but others present said it was largely through his efforts that such satisfactory results were reached. From Washington came messages to the effect that President Roosevelt will do all in his power to relieve the situation. The President will not utilize funds to help the speculators.

The treasury's cash balance is \$237,772,764, and half of this amount financiers say can be temporarily deposited with banks without crippling the treasury.

New York, Oct. 24.—The crisis in New York financial circles has been safely passed. After prolonged conferences at J. P. Morgan's office an organization of the presidents of the New York trust companies was effected, not different in principle from the clearing house association. It was in the nature of a protective combination. All of the leading and admittedly conservative trust companies participated. A resolution was unanimously adopted providing for an examination of the various trust companies and a report of their funds and recommendations to the association.

Several factors have contributed to this change of feeling. First and foremost was the determination reached by men of great influence in the financial world to restore confidence, insure safety and prevent panic. Conspicuous among these were J. Pierpont Morgan and James Stillman, president of the National City bank. There were several conferences at the offices of J. P. Morgan & Company.

Oil King Will Assist New York Banks.
News of these conferences quickly ran through the financial district, allaying fears of the extremely nervous and certainly aided the stock market. Next in point of influence was the presence at the subtreasury of Secretary of the Treasury Cortelyou, who caused to be deposited with New York

banks a large sum, said to be \$25,000,000. Another potent factor in bringing about a better feeling was the ability of the Trust Company of America to withstand an all-day run, as it successfully did. In the face of enormous withdrawals, the officials of the bank proclaimed their readiness to settle with all depositors on demand.

John D. Rockefeller announced he has arranged to loan very large sums to a number of New York financial institutions. "I think," said Mr. Rockefeller, "that the existing alarm among investors is not warranted, and I hope the good common sense of the American people will control the situation. Personally I have absolute faith in the future of the values of our securities and the soundness of underlying conditions. Instead of withdrawing any of my money from the banks, I am co-operating with others in helping to meet that which I firmly believe to be only a temporary crisis."

Ridgely's Statement.

Washington, Oct. 24.—Comptroller of the Currency Ridgely gave out a statement saying that the general feeling indicates an absolutely sound situation; that there was not the slightest need of apprehension about the banks and trust companies of the country; that the banks of the eastern reserve cities have every disposition to leave their balances in New York and other central reserve cities, and attributes the trouble in New York to the condition of a very few concerns discredited by the operations of their officers, and to the different prices of stocks and securities as between New York city and the country banks.

Sending Money to New York.
Cleveland, O., Oct. 24.—Prominent bankers of this city state that the Cleveland banks were never in better shape than they are at the present time. Several of the big banks have, within the last two days, it is said, sent large sums of money to New York to be loaned. There has been no reflection here whatever of the excitement in New York. On the Cleveland stock exchange the quotations showed no sympathy with the decline in New York.

Cincinnati Banks Sound.
Cincinnati, O., Oct. 24.—The New York financial situation is regarded as local to that city by Cincinnati bankers, several of whom gave expression to their views to that effect. President Hirsch of the Fifth National said that the "New York situation will have no effect in Cincinnati whatever," and similar expressions were heard from other bankers. There are deposits of more than \$100,000,000 in the 15 national banks in this city.

DEPOSITORS MUST NOTIFY.
New York, Oct. 24.—The Empire City Savings bank at 231 West 125th street, is the first to take advantage of the state law compelling depositors to give 60 days' notice before their accounts can be withdrawn. This is done because of the excitement in Harlem. Other savings banks are expected to take similar action at once.

JAPANESE BLAMED FOR SINKING VESSEL TO GAIN REVENGE

Vancouver, B. C., Oct. 24.—Disgruntled Japanese, seeking revenge for recent attacks on members of their race in this city, are blamed for the sinking of the great steamship Empress of China, queen of the Canadian Pacific railway's oriental fleet, which went down at her dock last night. Much mystery surrounds the affair. Several seacocks were opened and officials say this was done purposefully by some one with a grievance,

real or fancied. The steamer had about finished taking on an enormous cargo when she suddenly listed, turned over and lay on the bottom. The loss will run into the hundreds of thousands, if not millions, as the steamer is valued at \$1,250,000, and has probably been greatly damaged, while the cargo, estimated to be worth as much as the vessel, will probably be a total loss.

SECOND TRIAL OF STEVE ADAMS BEGINS IN IDAHO

Spokane, Wash., Oct. 24.—The second trial of Steve Adams, a member of the Western Federation of Miners, charged with the murder of Fred Taylor, is expected to begin in earnest at Rathdrum, Ida., today. Clarence Darrow has been chosen as chief counsel for the defense. Considerable difficulty in securing a jury is expected. The Socialists announced some weeks ago their intention of conducting an "educational campaign" among the men of Kootenai county preliminary to the trial. The population of the county consists mainly of farmers and lumbermen.

COMPANY SETTLES WITH UNCLE SAM

Washington, Oct. 24.—The Hartford Manufacturing company of Hartford, Conn., which had the contract up to July 1 last for manufacturing stamped envelopes and newspaper wrappers, made a cash payment to Postmaster General Meyer of \$166,000 as a settlement for all damages and injuries which the postoffice department may have sustained by reason of the company's failure to furnish paper up to the contract.

Because Mrs. Erman Burray would not leave her husband and sleep with him, Michael Szekely, 34, of Cleveland, shot and killed Burray, fatally wounding Mrs. Burray and then committed suicide.

TWO THOUSAND MEN AFFECTED BY SHUTDOWN

Montreal, Oct. 24.—The Star announces that by the end of the month at least 2,000 men will be out of work through the partly closing down of the Angus shop, the manufacturing department of the Canadian Pacific railway, in this city. It is the first move in carrying out an order of Sir Thomas Shaughnessy to cut down expenses. Of the 1,000 men employed, it is said, half will be let go and others kept for a while on half pay. No new work will be undertaken.

TAFT WILL MEET KAISER WILHELM

St. Petersburg, Oct. 24.—A dispatch was received here from Secretary Taft saying that he expected to arrive at St. Petersburg Dec. 5, a week later than he originally had planned. This would indicate that a meeting between Emperor William of Germany and the American secretary of war is now possible.

POLICE DISCOVER MINE.

St. Petersburg, Oct. 24.—A mine heavily charged with explosives, has been discovered beneath police headquarters here. There have already been several accidents.

At Corvin, a town in Italy, a negro hand killed a hawk and cooked the bird, serving it with dumplings. He invited three other Italians to partake of the meal. All became drunkariously ill, the last dying.

PRESIDENT HAS RETURNED FROM HUNTING TRIP

Washington, Oct. 24.—President Roosevelt reached the White House from his southern trip last evening. The trip from Lynchburg, where the last speech was delivered, was without incident, the president spending the time in reading and conversing with friends. To those who met him at the station it was noticeable that he had added several deeper shades to the bronze of countenance required during the summer months at Oyster Bay. The president took no pains to conceal his delight at getting home, and was remarkably cordial in his greeting to those who gathered in the train shed to meet him. He expressed himself as thoroughly pleased with his trip.

Czar May Forbid WHEAT EXPORTS

Petropavlovsk, Oct. 24.—Petropavlovsk, a port in Russia, received a telegram stating that there is a well-grounded rumor in circulation to the effect that the emperor of Russia will between now and the end of the present year banish a place forbidding the exportation of wheat from Russia. This was done in 1872. The prediction is repeated, according to this account, that grain dealers will do all that can be done to prevent such a decree.

New York, Oct. 24.—With the sky scorching over New York in plain view and to set an alighting goal, but unfortunately in course of adverse winds, the crew of the German balloon Pommera and the French balloon L'Isle de France called their cords and returned to New York Wednesday in northern New Jersey, first and second, neck and neck, in the greatest aerial race ever seen.

There is much indication throughout the north of Ireland at a distance of the Giant's Causeway that a portion of the world's most exciting the followers of the Giant's Causeway is now to be gone to America.

VIOLENT

Earthquake Shocks Do
Great Damage in
Italy and Sicily

LOSS OF LIFE REPORTED

Inhabitants After Night of
Terror Flee from Cities

Mt. Etna Very Active and Other
Towns are Threatened--
Government Sends Aid.

(Bulletin.)

Rome, Oct. 24.—The Tribune says 100 were killed by the earthquake at the town of Ferruzzano.

Rome, Oct. 24.—The provinces of Calabria, in South Italy and the eastern coast of the Island of Sicily, have been shaken by violent earthquakes. Many of the towns are in ruins and loss of life is reported. Communication is interrupted and it is impossible to learn the number of dead. After a night of terror in the streets, amid the ruins of their homes, the population of the cities is fleeing to the open country. Torrential rains followed the quake. The government is rushing aid to the stricken nation. The property loss is enormous.

Mt. Etna, which is situated about midway between Messina and Catania, near the eastern Sicilian coast, has been exceptionally active recently, and the seismic disturbance is believed to be the culmination of a series of violent eruptions. The worst damage thus far reported was at Brancalone. The town was wholly destroyed. Nine persons are known to have been buried under collapsed buildings. At Siniopolis a number of persons are said to have been crushed under fallen walls. Two walls of the cathedral fell at Gerace, the seat of one of the most important bishoprics in Southern Italy. The population numbers 10,000, and much distress prevails. Catanzaro with a population of 30,000, also suffered severely. The large velvet and silk manufactures here were damaged. In Sicily several shocks were felt at Messina, one of the islands' most important seaports, with a population of 100,000. It has many magnificent buildings. Catania, reported one of the heaviest sufferers, is at the foot of Mt. Etna.

GERMANY WINS FRANCE SECOND IN GREAT RACE

EVERY AIRSHIP EXCEPT ONE
FAR EXCEEDS LAST YEAR'S
RECORD.

VICTOR HAS NARROW MARGIN

An Official Survey of Distance May Be Made—Ohioan Won the Airship Race.

Result of the race:
"Pommern" (German), landed Asbury Park, N. J., 9 a. m. Oct. 23, 880 miles.

"L'Isle de France" (French), landed at Hubertsville, N. J., 1:30 p. m. Oct. 23, 873 miles.

"Dusseldorf" (German), landed near Dover, Del., 9 a. m. Oct. 23, 790 miles.

"St. Louis" (American), landed Westminster, Md., 6:10 a. m. Oct. 23, 730 miles.

"America" (American), landed near Patuxet, Md., 8 a. m. Oct. 23, 730 miles.

"Abercrombie" (American), landed at Manassas, Prince William county, Va., at 7:30 a. m. Oct. 23, 680 miles.

"Anjou" (French), landed near Armentières, Lille, France, 7:45 a. m. Oct. 23, 675 miles.

"United States" (American), landed at Caledonia, Ont., 6:15 p. m. Oct. 22, 650 miles.

"Louis II" (English), landed at Memphis, Tenn., 5:10 p. m. Oct. 23, 375 miles.

St. Louis, Mo., Oct. 24.—German and French partisans are already disputing the Pommern's and the Isle de France's respective claims to victory in the international balloon race. Only the ease with which it will be possible to settle the controversy as soon as official airline measurements can be taken, prevents the difference of opinion from becoming a very bitter one. Basing their opinion on press reports from the past, disinterested aeronauts here say they haven't much doubt the Pommern won, but that the distances covered by the two balloons—880 miles by the Pommern and 772 by the Isle de France—are so close together that official measurements may, by a bare possibility, give the victory to the French air craft.

Chicago, Oct. 24.—Unless Chicago can provide a hall which can comfortably seat 14,000 to 16,000 persons, Kansas City is likely to get both the Republican and Democratic conventions. This statement was made by Thomas D. Knight, president of the Hamilton club, who has just returned from a conference in Washington with Chairman New and other national Republican leaders.

KANSAS CITY MAY GET BOTH CONVENTIONS

Chicago, Oct. 24.—Unless Chicago can provide a hall which can comfortably seat 14,000 to 16,000 persons, Kansas City is likely to get both the Republican and Democratic conventions.

This statement was made by Thomas D. Knight, president of the Hamilton club, who has just returned from a conference in Washington with Chairman New and other national Republican leaders.

**ENJOINS ATTEMPT
TO ORGANIZE UNION.**

Wheeling, W. Va., Oct. 24.—United States Judge Dayton today issued a restraining order against John Mitchell and officers of the Ohio Miners' Association and the Fifth District Association, forbidding them to organize a union among the miners employed by the Fairmont Coal company of West Virginia. It is said to be the first injunction ever granted to prevent unions organizing.

HORSES DIE IN FIRE.

Chicago, Oct. 24.—Thirty-seven horses were roasted alive in an early morning blaze in the stables of Nicholas Nagle, 62d and Princeton avenue. Fifteen other animals were saved by the prompt action of the firemen. The property loss was \$7500.

Henry Sykes, a negro, was lynched at Belzoni, Miss. He was charged with having used the telephone several times recently as a means of communicating with white girls in Oklahoma, Miss.

Warden Block

STRANGE STORY

TOLD BY JAMES MILLARD OF UTICA, WHO WAS FOUND UNCONSCIOUS.

He Said He Met Two Men in the Road and After That Remembers Nothing.

Mt. Vernon, Oct. 24—James Millard of Utica, was found in an unconscious condition, lying in a fence corner about five miles south of this city on the Martinsburg road Tuesday morning.

He was brought to this city in an express wagon and taken to the office of a physician, where his injuries, which consisted of a cut over the left eye and other minor cuts, were dressed. After being revived Mr. Millard who is an old man, told a very strange story. He said that he had hired a livery rig at Utica Monday night to make a trip to Martinsburg and Mt. Vernon, and that when a few miles south of Mt. Vernon he met two men, going south, who asked him for a ride. He told them he said, that he was going the wrong direction, when he lost all consciousness, remembering nothing until being revived.

Men found Millard and his horse and buggy were piled up in a fence corner. The two wheels on the left side of the buggy were broken, the horse's left eye was knocked out and the head was badly bruised.

The horse was given over to Dr. McBraugh, V. S., to care for, and killed, as soon as his injuries were dressed, was turned out to care for himself. He slept in a freight car Tuesday night.

The Baltimore & Ohio First Railroad to Enter the New Union Station, Oct. 27, 1907.

Fortune Ranges at Keller's.

APPLETON.

Mr. Thomas Biine and wife of Vanatta, and Mr. and Mrs. Park Wells of this place visited with Everett Runnels, Sunday.

About twenty-two of the friends and neighbors of Mr. John Culp very pleasantly surprised him on Monday night, October 14. They presented him with a beautiful willow rocker. Refreshments were served and a very enjoyable evening was spent by all present.

The funeral of Lewis Hall was the largest that has been held at Bennington for some time.

Mrs. Anna McClellanstock, who was taken suddenly ill last Monday, is convalescing.

Mrs. Park Wells called on her sister, Mrs. Tines, near Croton last Friday.

Intense interest has been shown throughout the country on the building of what has been aptly termed "The Vestibule of the Nation," and travelers will have an opportunity of witnessing the finishing touches upon this magnificent structure, which will be the most magnificent railway station in the world.

As a matter of history the Baltimore & Ohio railroad, the first railway of America, was the first railway to enter Washington, in 1833, and it is fitting that it be the first to open the doors of the great central station at Washington, which will eventually be used by all the railroads which enter the national capital.

ALEXANDRIA.

Mrs. Cornelius Burkham is spending a week with friends in Zanesville. Mrs. S. E. Morrow of Granville, is visiting friends in and near town.

Rev. Mrs. Daniel Lewis and little daughter Marguerite of Pierce City, Mo., and Miss Jennie Lewis of Columbus, spent Wednesday and Thursday with Geo. Davison and wife and called on many old friends.

D. Wright of Chatham, spent Friday and Saturday with H. J. Colvill and family.

Frank Stark, wife and son, visited with Win. Denney at Adams Mills, from Friday until Monday.

A. D. Burnside spent Sunday with S. Rhoads and wife of Beech Corners. Miss Rose McClain visited on Sunday with friends in Croton.

Dr. F. O. Williams spent Sunday with Edward Jones and family. He was accompanied home in the evening by his wife and little daughter, Margaret, who had been spending a few days with her parents.

Mrs. Dr. Hart and children, and Miss Nettie Whittaker of St. John, left last Wednesday for their home after a two weeks' sojourn with Mr. and Mrs. Robert Stone. Ernest Sipe of Fulton, was a guest in home of his brother, Samuel, a few days this week.

Arthur Wells and wife were visiting at the county seat last Friday.

J. J. Cash was in Newark Friday evening.

Mrs. Rose Kasson of Johnstown, was a guest in town Saturday.

Ira Chadwick, wife and daughter, Anne, of Columbus, visited a few days with the former's mother. Mrs. Chadwick, the first of the week.

Burkhardt & Cornell shipped two car loads of fine cattle east last Saturday in charge of Burkhardt.

Mr. and Mrs. Sam Taylor of Hermon, spent Sunday with friends in town.

Miss Kate Reese of Newark, spent Friday night and Sunday with her brother, J. T. Reese and family.

Mrs. Bernard Price of near Outville, spent last week with her parents, Edward Jones and family. Mr. Price came Sunday and spent the day and returned home in the evening.

Mrs. Alice Nichols is visiting in Zanesville and Brownsville.

Mrs. Wm. Hankinson and T. D. Evans spent Sunday with S. Sipe and family.

Farmers' Institute will be held in the Auditorium December 2 and 3.

The social given by the ladies of the Congregational church was a success. They cleared over \$32.

Erwin Yost and wife of Thornville, returned home Monday. Mr. Yost was hurt on the elevator at the Brooks & Co. store last Wednesday night, and he was taken home on a cot. His friends hope for his recovery.

Mr. and Mrs. George Van Ness and Mr. and Mrs. Henry Hubbard returned Tuesday from their two weeks' Jamestown trip.

Mr. and Mrs. D. Lewis entertained Wednesday and Thursday of last week Mrs. Fraker of the Chicago Mission school.

Arthur Coulter of Columbus, who shot himself some time ago, came home with his father, Erving Coulter last Monday evening.

Fred Wyman visited Cleveland, Brunswick and Medina from Saturday of last week until last Wednesday.

The registration days in Newark this year are next Friday and Saturday, October 25 and 26. After that it will be too late to register.

Concert Favorites at Taylor Hall—Big Musical Numbers, and Actress-Reader.

Tonight the Concert Favorites will open the entertainment course at the Taylor Hall. This is an all-star company, composed of three musicians and an actress-reader. Each member of the troupe is an artist of wide experience and proven ability. The company consists of Miss Alice Carey, violinist; Miss Metta K. Legler, soprano; Ross Hickernell, cornetist; Miss Gertrude Goodwin Miller, actress-reader.

This company comes very highly recommended, and will be a real treat to Newark music-lovers.

The hall will open at 7:30, and the entertainment begins at 8:15.

The Tuesday meeting was well attended. In the absence of the president and vice president, Mrs. Phillips had charge entirely.

Mrs. Abbott read the 34th Psalm for a scripture lesson. After the devotional part, Mrs. Phillips, superintendent of Sunday school work, read the following articles:

1. Temperance Sunday and How to Observe It.

2. Temperance Communication.

Next week the meeting will be very interesting, as the delegates to the convention will have returned with their report. A splendid report is looked forward to. Everybody come.

BLADDER TROUBLE

Old Folks Who Suffer Can Find Prompt Relief In This Simple Home Mixture.

Here is a prescription that anyone can mix at home. Any good prescription pharmacy can supply the ingredients named at little cost; being composed of vegetable extracts, it is

harmless and inexpensive. Best of all it does its work well, relieving

even the worst forms of bladder trouble, frequent urination, backache, kidney complaint, and by its

direct action upon the eliminative tissue of the kidneys, makes these most vital organs rid the blood and system of waste matter and uric acid which causes rheumatism.

Here it is; try it if you suffer.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime.

A well-known local druggist is au-

thority for the statement that one

week's use shows good results in

nearly every instance, and such sym-

ptoms as lame back, frequent desire

to urinate, pain in bladder and even

chronic rheumatism are generally

relieved within a few days. The pain

and swelling diminishing with each dose.

Teach well in a bottle and take in

teaspoonful doses after each meal

and at bedtime.

Your little crib we have put out of

sight,

And all your playthings so pretty and

bright.

They bring to memory so much that

is dear,

When we were so happy with our baby

here.

How sad our home is, no one can tell,

But God in His mercy does all things

well.

Cares for the orphan, feeds the spar-

row's fall,

Keeps a faithful watch over us all.

The days are so lonely, the nights are

so still.

Yet we must submit to our Father's

will.

Even though it seems more than we

can bear.

God stands ever willing our burdens

to share.

Teach us, Oh Lord, in our weakness

to say,

Thy will be done until that great

day,

When we shall be with our dear little

boy,

Who brought into our home gladness

and joy.

IN MEMORY OF MARLIN MUENZ

God sent to us from the garden above,
A frail tiny flower which we dearly loved.
He only lent it to show us how grand
Are the works of His mighty, yet merciful hand.

We cherished and loved it. Perhaps too much.

For the gardener came and so gently

He touched,

This dear little rose bud and took it away

To plant it again in God's garden to stay.

Dear Little Marlin you will bloom for

us there,</p

Registration Days.

There will be only two registration days this year, next Friday and Saturday, October 25 and 26. All who have moved since last year into another precinct, must register.

Registration Days.

If you are not now registered in the precinct in which you live, attend to it tomorrow. There will be only two registration days before the election and these days are tomorrow and next day.

What Newark People Think.

Tomorrow's Advocate will contain an extended notice telling what Newark people think of the Dr. Richards Dyspepsia Tablets. These testimonials are not from people living at some remote point, but tell what local folks have to say about the preparation.

Prompt Delivery Desired.

The Advocate desires prompt and careful delivery of the paper to subscribers. Those who fail to receive the Advocate regularly or who have any complaint to make regarding delivery of the paper are requested to report by telephone or otherwise to this office. Call number 59 either phone.

Home Mission Praise Service

There will be a Home Mission Praise Service held Friday evening at 7:30 o'clock at the First Presbyterian church. There will be splendid music by the choir and solo by Mrs. Bonshire and Miss Phillips. Devotional exercises will be led by Mrs. Vernon, while an address will be given by Mrs. Jenkins, a missionary of Alaska. A special offering will be taken.

Y. M. C. A. Opening Concert.

The opening number on the Y. M. C. A. entertainment course is scheduled for tonight at Taylor Hall. The Concert Favorites are the attraction. Miss Alice Carey, the noted violinist, and Miss Legier, soprano, are among the troupe. Mr. Ross Hickernell, cornetist, and Miss Miller, a cello-player, are both artists of high ability. This is one of the big attractions of the course.

Successful Operation.

Mrs. Guy Boing, who underwent a delicate operation at her home on West Main street, Tuesday afternoon,

Tonsilite Cures Smokers' Sore Throat Habitual smokers are often troubled with inflammation of the throat. This is called smokers' sore throat, and frequently becomes so painful that food is swallowed with difficulty.

If nothing is done to prevent it, the disease may develop into cancer of the throat. Hundreds of men have had to resort to surgical operations because of it—many died as a result of it.

You have smokers' sore throat, don't disregard it. It may be gone tomorrow but will surely return again and in a more severe form. It is Nature's danger signal.

Tonsilite will positively cure you and the throat clean and healthy, preventing the consequences of neglect. **Tonsilite** is the result of years of careful practical work and is made from for years in the cure of throat.

Tonsilite destroys the poison in all kinds of sore throat and clears up painful and poisonous ulceration.

It heals the tender mouth and membranes and removes the cause of trouble.

It is safe, sooths, healing, and a cure for Sore Throat, Tonsilite, and other diseases. **Tonsilite** is the best cure we know for Sore Throat, and it has never failed.

DOWN ON THE FARM.

The old farm house looks rusty and is needing some repair, the barn and other buildings too show woeful lack of care; the wagon and the implements that's used upon the place, of even slight attention show not the faintest trace. But all this gloom of slow decline would quickly fade away, if Aurora Paints were used to make the old place bright and gay. Aurora Paints are manufactured by The Marietta Paint and Color Co., Marietta, O. Sold by Newark Paint Co., 31 West Church street.

The registration days in Newark this year are next Friday and Saturday, October 25 and 26. After that it will be too late to register.

NEWTON CHAPEL.

Rev. Mr. Barnett preached his first sermon at this place last Sunday and took dinner with Mr. and Mrs. John Richards.

Miss Allie English of Newark is the guest of her sister, Mrs. C. B. Wilson this week.

Mr. and Mrs. Stanley Montgomery, of Alexandria, Frank, Clara and Edith Stone, took dinner with Mr. and Mrs. Edison Pound Sunday.

John Stewart and daughter, Ruth are visiting at the home of John Kirkpatrick.

Mrs. Joseph Stewart was the guest of Mrs. James Stewart near St. Louisville one day last week.

Stewart, Barnes and Frank Pound of Illinois took dinner at George Stewart's Sunday.

Mr. Lee Hughes was the guest of his sister, Mrs. O. G. Pound one day last week.

Charles Wilkin is visiting friends and relatives in Putnam county.

Frank Pound of Springfield, Ill., is visiting friends and relatives in this community.

Mr. A. J. Wilson and party from Utica, were at the Jackson, Wednesday.

Mayor's Proclamation for the November Election.

The qualified electors of the city of Newark, State of Ohio, are hereby notified that an election will be held at the usual voting places in said city, Tuesday, the 5th day of November, 1907, between the hours of 5:30 a.m. and 5:30 p.m., at which election the following officers will be chosen: For two years:

Mayor,
City Auditor,
City Solicitor,
City Treasurer.

Three Members of the Board of Public Service,

President of the City Council,
Three Councilmen-at-large.

One Councilman each from the First, Second, Third and Fourth Wards.

One Assessor each from the First, Second, Third and Fourth Wards.

Given under my hand and seal this 22d day of October, 1907.

SAMUEL H. McCLEERY,
22d3t Mayor.

Notice of School Election.

The qualified electors of the school district of the city of Newark, State of Ohio, are hereby notified that an election will be held at the usual voting places in said school district, Tuesday the 5th day of November, 1907, between the hours of 5:30 a.m. and 5:30 p.m., at which election three members of the board of education will be chosen, each for a term of four years from the first Monday in January, 1908.

DAVID M. KELLER,
Clerk of Board of Education
23d3t

The qualified electors of the school

district of the city of Newark, State

of Ohio, are hereby notified that an

election will be held at the usual

will be chosen, each for a term of

four years from the first Monday in

January, 1908.

MORGAN MAKES

FIRST STATEMENT.

J. D. Morgan today said: "The

first two hours will tell the tale. We

STOCK EXCHANGE DID NOT OPEN AT PITTSBURG

Pittsburg, Pa., Oct. 24.—It was decided not to reopen the Pittsburg stock exchange today after a meeting of the board of directors. The decision was unanimous. No official statement was made other than that the exchange would not open today. Asked as to when it was likely business would be resumed, an official who does not want to be quoted, states that it was hard to tell. This is taken to mean that the exchange will remain closed until the storm in New York subsides.

ANOTHER BANK FACES A RUN.

New York, Oct. 24.—A run is impending on the Lincoln Trust company, at 208 Fifth avenue. At 9:30 a crowd of depositors had gathered in front of the doors and had been forced to form a line by the police reserves, who had been summoned. The officers of the concern announce they are prepared to meet all demands.

STATE BANK

Closes Its Doors at Reno, Nevada. Has Several Branches.

Reno, Nev., Oct. 24.—The State Bank and Trust company, with headquarters at Carson and branches at Goldfield, Tonopah, Manhattan and Blair, closed its doors. The state bank examiner is in charge. The difficulty was due to inability to realize on stocks placed as security for a \$100,000 loan made to the Sullivan Trust company last year. T. B. Hickey, president of the bank, is one of the wealthiest men in the state, and the bank's assets are thought to exceed liabilities. No fear is entertained that depositors will lose a cent. Hickey is in San Francisco. The Nye & Orms bank, Frank Golden president, of Carson, Tonopah, Goldfield, Manhattan and Reno, put out a sign stating that the bank would be closed for three days in order to have sufficient coin shipped in to prepare for any rush. There is no excitement, and the feeling prevails that there will be no failure.

TWO MORE BANKS

DOWN IN CRASH.

New York, Oct. 24.—The Twelfth

Ward bank and the Hamilton bank,

both small institutions, suspended

this morning.

The state banking department is now in charge of both banks. The Hamilton bank has six branches in Harlem, and one in Williamsburg. The Twelfth Ward bank is at 147 East 125th and 173 East 116th street.

RECEIVERS

APPOINTED FOR WESTINGHOUSE INTERESTS AS WAS FORECASTED WEDNESDAY.

And This Action Precipitated the Suspension of Iron City Trust Company.

Pittsburg, Oct. 24.—A flurry in local financial circles, caused by the embarrassment of four concerns of the Westinghouse interests, was quickly ended here by the prompt action of the Pittsburg clearing house association and the Pittsburg stock exchange. The Westinghouse Electric and Manufacturing company, the Westinghouse Machine company and the Security Investment company, a holding company for the Westinghouse interests, are in the hands of receivers appointed by Judge Ewing of the United States circuit court. A fourth concern, the Nernst Lamp company, will also be turned over to receivers. Statements issued by George Westinghouse, prominent bankers, officers of the stock exchange and the clearing house committee, show conclusively that the financial situation here is sound, and there is no danger. The severe stringency of the money market is alone responsible for the firm's embarrassment.

Mr. L. Hirsh of Upper Sandusky, was in Newark yesterday on business.

Miss Edith Ide is visiting at the home of Mr. and Mrs. Harry Tooker.

Fred Jones is spending a few days with his parents, Mr. and Mrs. Thos. Jones.

Mrs. A. F. Henley and Mrs. C. L. V. Powell were Columbus visitors on Wednesday.

Mr. S. H. Hurton, a Mansfield attorney, was in Newark, Wednesday, on business.

Mr. S. S. Cocoran and family have returned from a delightful ten days' trip to Toledo.

Mr. J. M. Malone, secretary of the Board of Trade, went to Philadelphia last night on a business trip.

Mrs. George Baumhamer and children of Newark are the guests of Miss Ethel Hardies, East Hamtramck street, Mt. Vernon.

Rev. John A. Weeter, pastor of St. Paul's church, has returned from his vacation and will occupy his pulpit Sunday morning and evening.

Mrs. Valentine Baker returned to her home Wednesday morning after visiting with Mr. and Mrs. W. H. Baker and Mr. and Mrs. P. J. Baker in Mt. Vernon.

Miss Carrie Cochran went to Newark Wednesday afternoon.... Col. W. H. Baker visited Newark relatives, Wednesday afternoon.... Mt. Vernon Republican News.

Messrs. H. A. Shoemaker, Walter Skinner and Franklin Maxwell, and Misses Blanche Larason, Lillian Larason and Gladys Jamison, spent Sunday with Mr. and Mrs. William Larson near St. Louisville.

Mr. and Mrs. R. G. Lane will leave Friday morning for Chihuahua, Mexico, where they will join Mr. Lane's parents, Mr. and Mrs. Louis Lane. Mr. Lane is engaged in structural iron work in that city and is meeting with great success.

H. O. Dorsey, youth of the city, is visiting in the east, and will take in the Jamestown Exposition and other points of interest to him, as he was born and raised about 25 miles from Washington, D. C., at Gary, Howard county, Maryland.

Mr. Edward Brown, who has had a large contract for hauling in Mt. Vernon all summer and fall, has finished his work here and has returned to his home in Newark. Mr. Brown reports having enjoyed a very profitable season's work.

Mr. and Mrs. R. G. Lane will leave

Friday morning for Chihuahua, Mexico,

where they will join Mr. Lane's parents,

Mr. and Mrs. Louis Lane.

Oct. 24 In History.

157—Hugh Capet, founder of the line of kings which ended with Louis XVIII, died.

1608—The peace of Westphalia ended the Thirty Years' War.

1820—Florida ceded to the United States by Spain.

1852—Daniel Webster, American orator and statesman, died at Marshfield, Mass., born 1782.

1854—Affair at Balaklava, in the Crimea, made famous by the charge of the Light brigade. The brigade lost 113 killed and 134 wounded out of 730 effectives. The proportion of killed to wounded shows the desperate nature of the fighting. Only 15 unwounded British fell into the hands of the Russians, and this was due to the loss of their horses.

1893—Rear Admiral Walter W. Queen, U. S. N., retired, died in Washington; born 1824.

1898—Porto Rico evacuated, and the last Spanish troops on the island sailed for Spain.

1801—Prince Murat, grandson of Marshal Murat, Napoleon's famous cavalry general, died in France, born 1834.

Anthony R. Pitzer's 25 years of splendid service in the county auditor's office as deputy and as auditor, and his 12 years of experience as a county surveyor, will make him a valuable member of the Board of Public Service.

BOARD OF EDUCATION.

In selecting the men for whom he shall vote for municipal office, every voter should take into consideration the qualifications of the man. In no instance is this so true as in selecting members of the Board of Education. Too often this place is overlooked. Newark is a progressive city in all lines of commerce, in building and in street and municipal improvements in general. Our schools should not be allowed to lag behind in the march of progress, and the only way

Peptiron Pills

to keep them abreast of the times is to place competent men on the Board of Education. David M. Keller, Charles Roesel and Charles W. Miller are men who are fully capable of looking after the interests of the schools and have a sufficient personal interest in the schools to warrant the assurance of their best efforts. With competent men like those named the citizens of Newark have no excuse if they fail to place the very best talent on the board this year.

HENRY BAKER FOR COUNCILMAN AT LARGE

Mr. Henry Baker, 64 North Fifth street, one of the Democratic candidate for City Councilman at Large, needs no introduction to the people of Newark, as he has lived in this city practically all of his life and has been a member of the City Council on several occasions.

Mr. Baker was born in Newark township in 1835, and he came to this city in 1848. He has been engaged in blacksmithing ever since, and notwithstanding the fact that he is entitled to a rest after long years

of faithful service, Mr. Baker keeps at his work, feeling better contented than he would if he passed to the retired list.

Mr. Baker learned his trade with David Lloyd, and completed his apprenticeship with Oren Ingman's father, Wm. Ingman, a thorough mechanic. From 1860 to 1875 he was employed at Ball & Ward's carriage shop, but in the following year re-engaged in business on his own behalf, and was located in a shop on South Second street for many years, until the building was razed to make room for a new structure. Now Mr. Baker may be found at the M. Hong shop.

Mr. Baker was a councilman in 1884, and was elected four years ago as councilman.

He has been an active member of the Red Men since 1870, and was treasurer of his home lodge for 35 years, and was state treasurer six years. He is an Odd Fellow, Knight of Pythias and an Eagle also.

Mr. Baker's experience as a councilman makes him a valued member of that body. He is always alert to the interests of the city, and can be relied upon to do the right thing at the right time.

Edw. S. Randolph's failure to declare himself either for or against Sunday baseball may be political wisdom. Time alone will tell.

The site of the water works pumping station is a swamp," was the howl raised two years ago for the election of the present Board of Public Service. After being elected on this issue the present board started its work of reform by purchasing another site for the water works pumping station that is just as much of a swamp as the former site was, and the result is A LARGE INCREASE IN COST TO THE CITY.

Mr. Randolph, the Republican candidate for mayor, while talking of what he intends to do as mayor of Newark, fails to declare himself on Sunday baseball. He insists that he has no jurisdiction in the matter, but the law showing that he has jurisdiction has been pointed out for him. Does Mr. Randolph dislike to offend either the friends or opponents of Sunday baseball?

The friends of Dr. McCleery have not forgotten the way the present mayor was knocked out at the Republican city convention by Geo. B. Cox Hamilton and his helpers.

There will be only two registration days in Newark this year, the dates being tomorrow and Saturday, October 25 and 26.

It will be seen from the above figures that the total cost to the taxpayers by reason of the change was \$25,348.08.

Can we stand for this extravagance and will we allow for its continuation? The answer will be given at the polls Tuesday, November 5.

CITIZEN.

HAD TO MAKE A SHOWING

And the Pumping Station Was Moved--Taxpayers Were Not Considered, and People's Money Was Thrown to the Winds.

Voters of Newark Will Not Tolerate Extravagant Expenditure By Public Officials, of Funds Entrusted to Their Care.

An informant of the American Tribune who claims to know, states that the site on which the pumping station for the proposed new water works is to be built, was selected and agreed upon by the Board of Public Service before the contract was let, and that the successful bidder was given the tip. But whether this is true or not, every taxpayer and citizen of Newark should take the trouble to go up to the site and take a look at it for himself before he votes next Tuesday. When the voter does this he will be enabled to judge for himself how the money on this water works deal is going to be spent.—American Tribune, Nov. 4, 1905.

Good advice, is it not?

Mr. Voter, we hand it back to you with the suggestion that you make a trip to the present water works site and SEE HOW THE MONEY HAS BEEN SPENT THERE. And while you are there walk back to the abandoned site and try to satisfy yourself as to the necessity of the useless expenditure of \$25,348.08 of the people's money, all of which is a total loss except the value of the real estate at the old site.

Let us go back to the actual beginning of the construction of the new water works system. The old board purchased the site for the pumping station. They purchased the James K. Hamill land, because in their opinion it was the most available location and would mean a saving of thousands of dollars and at least \$1,200 per year in operating expenses. The board was not alone in this belief. They called upon the Board of Trade and a committee from that organization went into details with the Service Board and consulting engineer, regarding the Hamill site, and as a consequence it was secured.

The contract for the plant was let, and the specifications covered every point regarding the erection of a pumping station. Work was begun and continued up until the time the present board took the oath of office. And what then?

Messrs. Christian, Taylor and McVey had made the fight along the lines of a useless expenditure of money by public officials, incompetency and an utter disregard of their sworn duties as public servants. They were elected and inducted into office at a critical time. Hundreds of thousands were to be spent in the erection of a municipal plant and it was up to them to make good their pre-election promises.

They endeavored to make the showing and how have they succeeded? One of their first acts was the abandonment of the water works site chosen by their predecessors. They proclaimed it a "swamp," stating that it would be impossible to build the pumping station on that ground.

They had to make a showing. It was a ruse to pull the wool over the eyes of those who had supported them.

Was it not up to the contractors to make good?

Had they not given bond for the faithful performance of the contract?

A new site was purchased at a cost of \$2,250. And how does it compare with the old site? Take a trip to the station and compare it with the old one. There is more water to contend with; it requires over a half mile more of 16 inch pipe; it requires the building of 2,300 feet more of railroad trackage. But then they had to make a showing.

Is this good business sagacity? Is this what they promised the voters? Can you call it a good business administration of the city's affairs?

And this was not all. Two boilers of 200 horse power each, internal furnace Fire Scotch Marine, had been contracted for. The old board had been offered \$1,000 by the contractors to allow them to change it to water tube boilers, but did not see fit to do so. After the new board took control the change was made, but what became of the \$1,000 that had previously been offered the city for the change. Why were the contractors not compelled to pay for the change?

Wednesday the Advocate asked "what is the additional cost to the city by reason of the change?" This question is fittingly answered, backed by official figures, in a communication below. It shows that our taxpayers are interesting themselves and will not stand for any more useless expenditures of the public funds.

THE ADDITIONAL COST.

Mr. Editor—In answer to your question in yesterday's Advocate: "What is the additional cost to the city?" the following items, compiled from official records, may throw some light on the amounts expended by the new board by reason of a change of location for the pumping station:

Real estate	\$ 2,250.00
Laying 2,300 ft. of 16-in. pipe	1,150.00
2,300 feet of 16-in. pipe at \$28.50 ton	4,713.05
953 yards additional grading	476.50
Additional suction line	639.43
Intake well additional cost	500.00
Total	\$ 9,726.98

In addition thereto the total amount expended on the old site which was rejected by the new board was as follows:

Real estate purchase	\$ 4,070.00
976 yards concrete at \$5.25	5,125.05
Excavating 6,717 cubic yards	3,358.50
Grading 12,123 feet of track	1,637.55
Water proofing	100.00
18,536 yards extra excavating at .50	918.00
824 yards excavating suction line at .50	412.00
Total	\$ 15,621.10

It will be seen from the above figures that the total cost to the taxpayers by reason of the change was \$25,348.08.

Can we stand for this extravagance and will we allow for its continuation? The answer will be given at the polls Tuesday, November 5.

HOW IS THIS FOR A RECORD?

The present members of the Board of Public Service were inducted into office January 1, 1906. What have they accomplished in the one year, nine months and twenty-three days that they have served?

Let us see. The only thing done in the first eight months by the Board was the retiring of George Van Atta, the highly efficient superintendent of Cedar Hill cemetery and the appointment of two men to fill the vacancy at an increased cost to the city. For this service the tax payers of Newark were forced to pay out \$2,400 in salary to the board.

And since then? \$25,348.08 lost to the city by reason of the change of site of the new pumping station. Is this a record to be proud of?

"LONNY" TAYLOR

The Advocate has just received a letter from Mr. A. P. Taylor, who is at the Park Hotel, Magnetic Springs, Ohio, in which Mr. Taylor says that he is now improving every day and hopes to return to Newark before election day, but he must be governed by the physician's orders.

Mr. Taylor, who is the Democratic candidate for city treasurer, was obliged to go to Magnetic Springs on the 16th inst., owing to a severe attack of nervous disorder and fever. The day before he left Newark Mr. Taylor's pulse registered 104, but his many friends here will be glad to know that his health is now improving.

Mr. Taylor is one of the most admirable candidates on the local ticket. He is well known as an

GRANVILLE NEWS

Granville, O., Oct. 24.—Mr. Elihu Hayes, a highly esteemed young man, son of Mr. and Mrs. Thomas Hayes of Granville township, and Miss Josephine Williams, daughter of Mr. and Mrs. Fred Williams, were married on Wednesday afternoon. The ceremony took place at the country home of the bride's parents, on the Welsh Hills road, and was performed by the Rev. Bunyon Spencer, pastor of the Welsh Hills Baptist church, in the presence of about 50 invited guests. Rev. Mr. Spencer was assisted by Rev. W. H. Miller, pastor of the Granville M. E. church. The rooms of the Williams residence had been handsomely decorated for the occasion, and presented a very beautiful appearance. The ceremonies were held under a bower of palms that had been erected in the parlor. The bride is a charming and accomplished young lady, a graduate of the Granville high school of the class of '05, and has for some time past been a popular teacher in the district schools in the vicinity of Granville. The happy couple have the best wishes of all their friends.

On Wednesday evening, October 23, the Sophomore girls of Denison entertained in Doane gymnasium the boys of that class. The affair was in the nature of a "children's country party," and promptly at 7 o'clock little maidens in aprons and sunbonnets, milk maids and school children with states and books were seen entering Doane gym. Later, country lads, both young and old, gathered in the same building, and when all the "children" were assembled, a large ring was formed and a jubilant time then commenced. All the olden time games were played and songs were sung, after which a luncheon was served by the girls. Several speeches were made by the new members of the class, and at 9:30 o'clock, after the grand march, all the "little folks" departed, having spent a most delightful evening. The chaperones were Miss Ruth Jones and Miss Anna Jones.

One of the most delightful social affairs of the season was the informal reception given by Shepardson college on Tuesday evening in honor of Misses Ida V. Allen, 27, and Dora Zimmerman, 22, who will sail October 28 for mission work in China. Miss Zimmerman was not able to be present on account of the death of her little niece, but sent greetings to the girls and was frequently mentioned during the evening. After a short social time, Mrs. McKibben spoke in behalf of the ladies of the faculty, and Miss Anne Sorenson for the student body. Miss Parker also gave a talk at the close of which she presented Miss Wickenden with a beautiful portfolio from her Shepardson friends. Miss Wickenden responded beautifully after which the evening closed with the singing of the "Denison Cheer."

A number of the members of the faculty are in attendance at the Ohio Baptist convention, held at Youngstown this week.

The Academy boys will meet the Columbus Mutes Saturday in a football game on Beaver Field. It promises to be a most exciting game as "Bob" Whyte has taken the "Preps" in charge and is whipping them into a winning team. To see the way the Mutes make their signals will certainly be an interesting feature

CIRCLE ABOUT THE EMPEROR

Which Nobody In Germany Was Able to Break Through.

COURT SECRETS LAID BARE

Sensational Testimony Introduced at the Trial of the Libel Suit Instituted by General Count Kuno Von Moltke Against a Berlin Editor. Divorced Wife a Witness.

Berlin, Oct. 24.—Interesting testimony was introduced at the trial of the libel case brought by General Count Kuno Von Moltke against Maximilian Harden, editor of *Die Zunft*, a freelance weekly. Von Moltke is an intimate friend of Prince Philip Zu Eulenburg, the ex-German ambassador to Vienna, and a kinsman of the present chief of the general staff, Lieutenant General Count Helmuth Von Moltke, and of the governor of the province of East Prussia, Frederick Von Moltke. These three Von Moltkes are nephews of the late field marshal Von Moltke. Harden began last November to assert that Count Zu Eulenburg was the head of a group at court that sought to influence the emperor's political actions by subtle, indirect suggestions. Count Zu Eulenburg, Count Kuno Von Moltke and Lieutenant General Count William Von Hohenau, one of the emperor's adjutants, were mentioned by Harden as members of the so-called camarilla, or "round table," and he further alleged that they were spiritualists and of abnormal temperaments and habits. According to reports the Crown Prince Frederick William made an inquiry into the charges in May, and went to his father with the result of his investigation, which caused Count Zu Eulenburg, Von Moltke and Lieutenant General Hohenau suddenly to resign.

Count Von Moltke testified that such a circle as the "round table" had never existed and could not exist in the entourage of the emperor. The count added that his old friendship with Prince Zu Eulenburg was "wholly without exterior significance." Editor Harden said he did not accuse Von Moltke of criminal acts, but he regarded his friendship with Prince Zu Eulenburg as erratic in character; for the plaintiff, he said, had once pressed the prince's handkerchief to his lips and cried, "Phil, my Phil," and in writing him a letter had made use of the terms "my soul" and "my beloved."

Frau Von Elbe, the divorced wife of Kuno Von Moltke, testified that the gross epithets that her former husband had applied to married life. She then described the handkerchief incident, which she said she saw from an adjacent room. She declared also that Prince Zu Eulenburg at once knelt to her and begged her to give up her husband. Referring to her divorce Frau Von Elbe said she had asked Von Moltke, "What will his majesty say to our divorce?" To this Von Moltke replied, "His majesty only hears what I allow him to know." These words created a great sensation in the courtroom. Continuing, the witness testified that Von Moltke had once written a letter to her mother in which he said they had formed a circle about the emperor which nobody was able to break through.

Read the Advocate Want Column.

GERMANY WINS

(Continued from page 1.) sport have ever known, the victorious German balloon, the Pommern, which landed at Asbury Park Wednesday, having but slightly more than five miles the advantage of the French competitor *L'Isle de France*, second in the race, which descended Wednesday afternoon at Hubertsville, N. J., a few miles from the Atlantic coast, and slightly northwest of Point Pleasant. Another German balloon, the Dusseldorf, stands third in the race, American entries are fourth and fifth, a third German team is sixth, French team seventh, American eighth and English ninth.

The unofficial estimated air-line flight of the Pommern is 880 miles, and that of the *L'Isle de France* is 875. The Dusseldorf, third, landed near Dover, Del., is estimated to have covered 790 miles. The official measurements will be computed at the geological survey of the United States government at Washington. Only the proximity of the Atlantic ocean stopped the great flight of the Pommern. When the *L'Isle de France* did not descend at the point selected by the German leaders in the race there was a belief that the French aeronauts might after all be declared the winners. Evidently a contrary current caught the *L'Isle de France*, however, and blew the vessel back to the southwest. Realizing that their supply of gas was low and that they were losing actual ground, the occupants of the French basket decided to make rapid descent as near the coast as possible. It was the drifting back from Asbury Park to Hubertsville that placed them in second place.

While losing the distance record and possession of the cup, the French team sailing *L'Isle de France* gained the honor of the world's record for duration of flight. Starting from here Monday at 4:10 p. m. (central time), they landed Wednesday at 1:10 p. m. (eastern time), making their time in the air just 44 hours. The previous record was 41 hours 5 minutes, held Count de la Vaux of France.

AMATLURS

Are the Pilots of Both the Pommern and *L'Isle de France*, Two Leaders.

St. Louis, Oct. 24.—Oscar Erbslöh, the pilot of the winning-balloon Pommern, is a wholesale merchant and amateur balloonist. He was born in Elberfeld, Germany, and went into the army at an early age. He is known widely through his native country as a horse show exhibitor. His aeronautic experience dates from 1904. Alfred Leblanc, the pilot of the second balloon, *L'Isle de France*, was born at Paris, April 16, 1869. He is technical director of a great French lead and zinc works, and is known as an ardent hunter, skater, chauffeur and all-round amateur sportsman. He has been for several years a qualified pilot in the Aero club of France.

TOLEDO MAN

Wins the Airship Race at St. Louis. Strobel Second.

St. Louis, Oct. 24.—Sailing to windward and return over a course measuring one mile and a half from start to finish, Lincoln Beachey of Toledo, O., won the dirigible balloon or airship race which marked the close of the St. Louis aeronautic carnival of 1907. The prize was \$2,000. In his "Beachey" airship, a cigar-shaped affair, propelled by a four-cylinder gasoline engine, the winner covered the distance in 4 minutes and 40 seconds. Jack Dallas in the "Strobel" airship, a sister craft to the Beachey, won second place, with a time record of 6 minutes and 10 seconds, while Captain Thomas S. Baldwin of New York, in the "California Arrow," was third in 7 minutes and 5 seconds.

HILL ON THE NORTHWEST. St. Paul, Minn., Oct. 24.—"No part of the United States stands on so safe a basis as the northwest," declared James J. Hill in an address delivered at a dinner given by the St. Paul Jobbers and Manufacturers' association, at the Minnesota club. He based his confident utterance upon the facts that the soil is the foundation of the prosperity of the northwest, and it never fails so long as it is properly cultivated.

Superintendent of Banks.

Albany, N. Y., Oct. 24.—Governor Hughes appointed Clark Williams, heretofore vice-president of the Columbia Trust company of New York, to be superintendent of banks. Mr. Williams takes office at once.

POLICE COURT

Fred Strear, who stole a valuable dog, owned by Hugh McKenna, so McKenna claims in the warrant that was issued Wednesday afternoon, was arrested later in the afternoon by Officer Zergiebel. In police court this morning his case was continued until Friday morning.

Ed Elben was arrested last night by Officer Greeley and charged with throwing a stone through the window of the Joe Fritz saloon. As no one appeared against him in police court this morning, his case was dismissed.

A plain drunk, who was arrested by Officers McClure and Greeley, was given the usual fine.

WORTH THE MONEY

One good reason why we should sell and you should buy Hart, Schaffner & Marx clothes is that they're worth the price. You get more than you pay for, every time, in these clothes. They've got style, fit and character that's so lacking in most clothes you see. Besides, they are all wool and will absolutely hold their shape. We just received a large shipment of those beautiful Browns in stripes, plaids and checks.

ST. LOUISVILLE

Miss Mayme Kerrigan of Newark spent Saturday and Sunday with her mother.

Mr. and Mrs. Blamer and Miss Bush of Clinton visited their aunts, the Misses Trippier, Sunday.

Mrs. Ella Scheffler and Mrs. Myrtle Scheffler of Newark were guests of their mother, Mrs. T. Warthen, the first of the week.

Miss Ella Larson of Newark and Miss Burdell Merritt of Purity were Sunday guests of Mr. and Mrs. Clyde Marriott.

Several from here attended the funeral of Mrs. Asa Wince, which was held at Utica Wednesday at 2:30 p. m. The Sunday school teachers' normal class will meet at the Lutheran church Sunday immediately after preaching.

Miss Gertrude Smith was in Utica, Saturday.

Mr. and Mrs. Reid of Fallsburg have moved into the Andrew Weiss property on Main street.

Mr. Calvin Nethers house on East Moreland street is about completed, while the work on Mr. Kerrigan's residence is progressing nicely.

At 8 o'clock on Monday evening about twenty-five of the friends of Mr. and Mrs. Isaac Bullock gathered at their home south of town, the occasion being the anniversary of Mr. Bullock's birthday. The evening was spent in games and music. All left for their homes about the midnight hour, wishing Mr. Bullock the returning of many more such occasions.

PILE! PILE! PILE!

Williams' Indian Pile Ointment will cure Blind, Bleeding and Itching Piles. It absorbs the tumors, relieves itching at once, acts as a poultice, gives instant relief. Williams' Indian Pile Ointment is prepared for Piles and itching of the private parts. Sold by R. W. Smith, Newark. 50 cents.

TWILIGHT ORGAN RECITAL

Miss Florence King will give the third of the series of Twilight Organ Recitals at the Second Presbyterian church Friday (tomorrow) afternoon promptly at 4 o'clock. Admission free. Everybody cordially invited. The program follows:

Prelude in F. West. Adagio from 2d Sonata, Mendelssohn.

Allegretto, B Minor. Guilmant. Traumerei, Schumann. Prelude in B. major-minor. Dubois. Meditation. Lemaigne. Communion op. 26, Batista. Festal March, Calkin.

J. V. HILLIARD.

Attorney-at-Law, practices in all the State and U. S. and Circuit Courts. Prompt attention given to settlements of estates. Notary Public in office. 25 1/2 West Main street. J. Wehrle block.

DIFFERENCES:

Between Army and Navy as to Practicability of Defending Subig Bay in Philippines.

Washington, Oct. 24.—The purpose of Secretary Taft's trip to Subig Bay is to endeavor to reconcile a serious difference of opinion between the army and navy respecting the continuance of expenditures of large scale upon the fortifications of that body of water. Several years ago a naval board decided that Subig Bay should be the main point of defense in the Philippines so far as a naval base is concerned. That decision was tacitly adopted when the drydock Dewey was located at Olongapo, a convenient site on the side of the bay. Such artillery as was available was ordered to be put into place, and apparently the original plans of maintaining Manila and Cavite as the principal naval stations were abandoned. Recently, however, the army engineers, after careful topographical surveys, have decided that Subig Bay is practically indefensible, as at least 100,000 soldiers would be required to defend the place from a land attack.

QUINTETTE LEAGUE

"Pneumonia's Deadly Work

Had so seriously affected my right lung," writes Mrs. Fannie Connor of Rural Route 1, Georgetown, Tenn., that I coughed continuously night and day and the neighbors predicted consumption — seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case proved to be the only real cough cure and restorer of weak, sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery, the real cure. Guaranteed by F. D. Hall druggist. 50c. and \$1. Trial bottle free.

The King of Slain recently paid \$62.50 for a pair of socks.

FATHER FOUND SON IN TEXAS AFTER SEARCH IN ARIZONA

Went West in Response to a Telegram From His Son Saying He Was in Serious Trouble Mother Receives Message That All Is Well With Bob And Expects Them Home Soon

The following dispatch from Phoenix, Ariz., tells of the arrival there of A. F. Henley of Newark, who began a search for his son, which has had a happy termination.

Phoenix, Ariz., Oct. 24.—A. F. Henley, a railroad man of Newark, O., was in Phoenix on an errand which is both puzzling and worrying. He has a son, Burt Henley, somewhere in the territory, a boy of 20, who came here last April on a sight-seeing tour of the west. He was supplied with all the money he needed and was heard from by his parents with regularity. The last letter they had from him was sent from Red Rock, in which he gave his next address.

A week later his mother received a telegram from him dated Florence, saying he was in serious trouble and asking his father to come on. Mr. Henley was at that time in Williams, W. Va., and the telegram was forwarded to him. He immediately wired his son asking the nature of his trouble, but without waiting for a reply started for the west.

He came directly to Phoenix to get his bearings, thinking that since this was the capital, somebody here would know what was going on in the rest of the territory. He was advised to go to Florence. He returned with the puzzling information that he could learn nothing of the affair there. His son had not been heard of in Florence and no boy had recent-

ly been in trouble there. Nor could Mr. Henley learn anything of a telegram having been sent from that to him.

There was a suspicion that there was something crooked about the telegram and Mr. Henley wired to his wife to procure a copy of the message from the Newark office and wire it to him here. He left for Red Rock, thinking that he may be able to get some trace of the young man there.

Mr. Henley says his son is a model boy and could not have gone wrong unless he was led astray. He could not have been tempted by lack of funds for he was well supplied with money and always knew where he could get more.

Mrs. A. F. Henley, the mother of Burt, was seen at her home, 196 North Buena Vista street, Thursday morning, by an Advocate reporter, and she verified the story from Phoenix. A message received by her last Tuesday from her husband, and dated El Paso, Texas, stated that the boy had been found, but it did not say what the trouble was. The mother expects the father and son home now most any time.

Burt left for Arizona a year ago last June, and since May of this year he has been in Red Rock. For the past two years Burt has spent most of the time traveling in the west, and this is the first time they had heard from him that anything was wrong.

Burt left for Arizona a year ago last June, and since May of this year he has been in Red Rock. For the past two years Burt has spent most of the time traveling in the west, and this is the first time they had heard from him that anything was wrong.

loved by most of the oldest citizens, not only because of her pitiable condition, which excited the utmost sympathy of all who knew her, but because of her sweet and lovable disposition, always even through long and dreary years of suffering and torture, which endeared her to all. The story is best told in her own words, and aptly illustrates the fact that even the most serious ailments, especially those that have been given up by other methods, quickly succumb to the Boy Phenomenon power.

To Those Who Suffer.

"My friends will be surprised and gratified at my sudden transformation while others will, no doubt, be shocked that I should sign my name to a public testimonial; but having suffered so long and tried so many methods without relief, I consider it my duty to make public the facts in my case.

"I have had rheumatism 12 years all over my body, the last few years I have not been free from pain day. When the pain got so bad, it weakened my entire system and I was subject to la grippe and bad colds which developed into catarrhal troubles. Catarrh also weakened my eyes so my sight was greatly impaired. Those troubles worried me so as to bring on nervous prostration, and I became so weak, nervous and exhausted that I staggered when trying to walk. I had not vitality and felt like an old woman.

"Such suffering, of course, made it impossible to sleep, and, in fact, made me a nervous and physical wreck, and having tried all other methods without avail, I was not only helpless, but discouraged and hopeless.

"I was in that pitiable condition three weeks ago when I attended a demonstration of healing at the Auditorium, where I saw the afflicted go up with crutches and come away cured. I concluded that I would try once more, and was treated, and in less than five minutes the pain had departed and I could walk. I visited his office the next week, and took another treatment, since which time I have been able to rest and sleep all night. My nervousness is allayed. My vitality has returned in such force that I really feel like a different person and am so happy, and more grateful to the Boy Phenomenon than I can express.

"Most respectfully and gratefully,

"MRS. T. H. SHRANER."

Those who wish to take advantage of the present reduced prices must call at once, as the regular fees will soon be changed.

Office hours at the Warden Hotel, are from 10 a.m. to 5 p.m., and 7 to 8 evenings.

There will be only two registration days in Newark this year, the dates being tomorrow and Saturday, October 25 and 26.

CHILD'S DEATH.

Pittsburgh, Oct. 24.—Little Clem, son of Mr. and Mrs. Reason Morgan, died at the home of his parents at this place Monday evening at 11 o'clock. Besides the father and mother, a brother and a sister survived him. The funeral was held on Wednesday at Frazeysburg from the M. E. church and interment was made in the nearby cemetery.

ELEPHANTS

Recognized Former Trainer While in a Parade on the Streets of Lancaster.

Lancaster, Oct. 24.—The elephant is said to possess a good memory, and a large degree of affection, which it frequently manifests when occasion presents itself. That this is true was demonstrated Saturday morning at the railroad when the John Robinson show was being unloaded preparatory to showing here.

When the several elephants were being driven along Winding street, Mr. John Winner, of this city, who for two successive years had the care and training of Robinson's elephants recognized two of his former charges, Gypsy and Queen, and as they were passing by where he stood he called out to them, calling them by name, as in former days. The big animals stopped at once, turned toward him, and approached where he stood, extending their trunks, as if to shake hands, so to speak, and clearly manifested a great pleasure in seeing their former friend, whose voice they readily recognized and who by their actions, showed they were delighted to see him again.

After talking to them kindly and in the most friendly old fashioned way, which they seemed to fully understand, they proceeded on their way with the rest of the herd.

The Price of Health.

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Ella Slayton of Noland, Ark. "New Life Pills cleanse gently and impart new life and vigor to the system, 25c. Satisfaction guaranteed at F. D. Hall the druggist's."

SURPRISE

Tendered Rev. and Mrs. W. H. Swartz on Occasion of the Anniversary of Their Wedding.

Members of the North Newark Christian Union church and friends spent a delightful evening at the home of Rev. and Mrs. W. H. Swartz on the 22d. Fifty guests were present.

The occasion was their wedding anniversary. The gathering was well-planned surprise.

The North Newark Christian orchestra furnished appropriate music.

Every guest came burdened and very appropriately left their burdens.

They were in the form of liberal table supplies and grain. The kitchen department of the parsonage took on the appearance of a well-stocked grocery.

A purse of \$11 was presented to the pastor by the ladies of the North Newark Resolute Workers.

In well-chosen words Prof. Smalley presented the purse to the society.

Rev. W. H. Swartz read an original wedding poem. Refreshments were served. After song and praise the guests took their leave.

The people of the North End are being closely and helpfully united in a very substantial work. There are many willing hearts and hands. There is a marked spirit of self-sacrifice and of heroic endeavor that is bringing things to pass. These social gatherings are a large blessing to all.

CROTON.

The Ladies' Aid of the M. E. church, held an all day meeting at the home of Mrs. Nora Miller Thursday. There were twenty-five present and a sumptuous dinner served. Sewing was the work of the day. All report profitable day.

A series of meetings is in progress at the Disciple church, conducted by Rev. Mr. Brundage of Columbus, assisted by Miss McKibben of Lima, as soloist.

Mr. Emily Huffman left for Indiana Monday for an extended visit with her sister.

Mrs. Wm. Clemmons of Granville, visited over Sunday, here with her parents, Mr. and Mrs. George Ogilvie.

Mr. R. V. Streete made a business trip to Columbus Thursday.

Mrs. Charles Myers entertained the Ladies' Aid of the Disciple church Saturday afternoon at 4 o'clock. A fine lunch was served, and all present report a good time.

Sunday about twenty-five of the young people from here started at 8 o'clock a.m. for a chestnut hunt, arriving home at a late hour, and with but few chestnuts.

Mrs. Jaynes of Delaware county, visited her sister, Mrs. Mary Montgomery over Sunday.

The Pithian Sisters served a chicken-pie supper at the hall, Saturday night, which was well attended, and a great financial success; netting \$25.

Mr. David Conrad, accompanied by his niece, Mrs. L. M. Farnsworth, visited James Conrad and wife, at Conine Sunday.

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness.

All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the

Mother's Friend

AMUSEMENTS

A powerful play, that ranks with the best American plays of our day, will be presented at the Auditorium tonight. It is the skillful work of Adelaide Prince, who is in private life Mrs. Creston Clarke, and in this she has created a part for her husband which stands out boldly in its originality and treatment, and gives Mr. Clarke the opportunity to display that marked talent which has placed his name among the best of American actors. The play, to which has been given the appropriate name of "The Powers that Govern," is presented by Jules Marry, who ranks among the best stage producers in New York, and this production, which is brilliant in every respect, fully justifies all the praise that has been bestowed upon him. Besides all this the play

modern system of violin instruction. Satanic powers were ascribed to this incomparable genius, whose violinistic feats were far in advance of those of any of his predecessors or contemporaries and which to this day have never been equalled.

According to Macmillen some of Paganini's contemporaries begged him to reveal the secret of his power. He promised compliance but died without making it good. Divested of its technical terms the Paganini method was that in order to lessen the time required to cover the range of the finger board and in order to acquire a metal image of the board by practice that image must be implanted through the sense of sight instead of the sense of hearing. It is a singular fact, so Mr. Macmillen says, that the discoverer, a Mr. Robt. A. Walker, also an American, came into possession of the violinist's secret, a secret ascribed by many who heard him to "Satanic powers," in a vision or dream, thus perpetuating at this later day the idea of the supernatural which clustered about Paganini's art during his life time. Mr. Macmillen will appear at the Auditorium in November.

THREE KILLED BY EXPLOSION

IMMENSE BOILERS AT NELSON-
VILLE LET GO WITH FEAR-
FUL FORCE.

Farmers Oppose Canal—Bridgegroom
Suicide—Stamp Collectors
Meet—Ohio News.

Nelsonville, O., Oct. 24.—Three immense boilers at the Kimberly mine of the Sunday Creek Coal company, located two miles east of this city, exploded killing six men and wounding three. The boiler tubes had been undergoing repairs. It is said they had been plugged in order to work temporarily. At the time of the explosion Clifton Wolfe, fireman, and Elmer Boggs, both single, were in the boiler house. They were both instantly killed. The body of Wolfe was cut in twain and Boggs was terribly mangled. The huge coal hoppers of the mines were adjacent to the boiler house and were blown high in the air and collapsed, a mass of machinery and heavy timbers. On the hoppers were David Peters, weigh boss; Ora West, a coal miner, and Charles Ketle, also a miner. Peters escaped with serious bruises, while West and Ketle both sustained broken legs and were badly cut up. The injuries of the latter resulted in his death.

Stamp Collectors.

Columbus, O., Oct. 24.—The Ohio Philatelic association was organized here by about 50 stamp collectors. The following officers were chosen: President, Frank D. Goodhue, Cincinnati; secretary, George K. Smith, Jr., Columbus; treasurer, Oscar Schenck, Columbus. Arthur J. Murphy, Logan; T. H. Johnston, London, and D. H. D. Pausell, Washington C. H., were appointed members of the executive committee. A meeting of the new association will be held next January.

Farmers Opposed to Canal.
Canal Dover, O., Oct. 24.—Pomona range, representing about 1,800 farmers in Tuscarawas county, has passed a resolution asking the state legislature to abandon the Ohio canal in any manner creditable to the state, and not to expend any more of the public funds for its improvement. The Ohio canal runs through this county. About \$50,000 was spent last summer in making new locks. The passage of a primary election law was advocated.

Bridgegroom a Suicide.
Columbus, O., Oct. 24.—A honeymoon of only four weeks' duration was cut short by the suicide of the bridegroom, Sylvanus Finkle, in his apartments just in the rear of his restaurant, 223 East Town street. He killed himself by shooting. The unhappy bride can only attribute the cause to the fact that he believed his restaurant, which he had purchased but a week ago, would prove a failure. He was 45 years old.

Jones Against the Scheme.
Columbus, O., Oct. 24.—Although himself a member of the association and in hearty sympathy with its purposes, State School Commissioner E. A. Jones probably will refuse a request for authority to solicit in the public schools for money for the erection of a monument to Janarius MacGahan at his burial place in Perry county. There is growing opposition to public school collections.

Weds in Philippines.
Bridgeport, O., Oct. 24.—Miss Carrie Lee, Danford daughter of the late Congressman Danford of St. Clairsville, O., who has been acting as a nurse in the Philippines for seven years, was married in the Philippines to Dr. F. K. Carson of Riverton, Va. Dr. Carson was with the first company that went to the islands when the war broke out.

Slugged by Highwayman.
Cincinnati, O., Oct. 24.—Suffering from a fractured skull, broken nose and other injuries inflicted upon him by a highwayman, Martin Szimmiciale is lying in a dying condition at the hospital. He was knocked down on a bridge by a heavy-set man wielding a slingshot, and the contents of his pockets, only \$2 in all, were taken.

Manager of Columbus Club.
Columbus, O., Oct. 24.—William J. Clymer under whose management the Columbus American association team has won three successive pennants, signed a contract to manage the team next season.

There will be only two registration days in Newark this year, the dates being tomorrow and Saturday, October 25 and 26.

NEW BETHEL.

T. E. Payne and wife of Johnstown spent Sunday with their parents, Mr. and Mrs. I. N. Payne.

Rev. T. E. Kennedy and family were entertained at the home of Mr. and Mrs. William Feasel.

Leono Higgins and family spent Sunday at Laramie Linnabary's of Vans Valley.

Laramie Linnabary was calling on relatives of Bowes and Tuinan G. and Staff Mondays.

Ann Lane Condit died at her home just over the line in Delaware county, Friday, and was buried Monday in Trenton cemetery. The deceased was aged 93 years.

Douglas Glenda and family.

John V. Lake and wife of Johnstown, spent Sunday at J. M. Welsh's. Hortense Barcus was the guest of her aunt, Mrs. Minerva Day at Johnstown from Friday until Sunday.

Mr. and Mrs. Foulk of Marengo, were Sunday visitors at the home of their parents, Mr. and Mrs. J. M. Welch.

E. M. Linnabary and I. H. Longshore were over to Delaware Friday.

Mrs. Allen Carpenter of Croton, spent Sunday with her parents Mr. and Mrs. Lee Tuttle.

Mrs. Lee Tuttle is able to ride out after being confined to the house for eight weeks with rheumatism.

S. A. Grandstaff and family visited Saturday and Sunday at the home of Mr. and Mrs. Harry Wells of Aplleton.

Stephen Bevard of Newark, visited his sister, Mrs. Lee Tuttle and other relatives here part of last week.

Mr. James Day will sell his personal property at public auction, Oct. 26.

Mr. Day sustained a stroke of paralysis early in the summer and has since been unable to look after his farm interests.

NEWARK MAN GETS CONTRACT

Mr. Thomas Young, of 125 South Fifth street, arrived home from Sebenia, Pa., where he has been engaged in constructing a large sky light in a paper mill for his employer. Mr. Thomas F. Coulter, the well known sheet iron contractor of this city, Mr. Coulter did some structural work for the firm that had the work at the B & O round house and this contract faithfully carried out, caused the construction company to give the Pennsylvania contract to Mr. Coulter, of Newark, O.

DRUGGISTS OFFER FREE PRESCRIPTIONS

Organization Puts Up Many Remedies From Physicians' Prescriptions—Charge for Medicine Only.

W. A. ERMAN & SON, ARE LOCAL REPRESENTATIVES.

The plan of the Lux organization of druggists promises to work quite a revolution in the buying of medicine. This organization is offering the public a list of about forty prescriptions, compounded from prescriptions most favored by good physicians for certain purposes.

These remedies, therefore, are not patents, but are standard preparations of medicine. The formulas will be cheerfully explained to those interested.

Notable among these is the Lux Kidney and Liver Elixir, designed to give the public a really meritorious remedy for dangerous diseases. As above stated this is not "another patent," but is the exact prescription used by the best physicians everywhere. Its effect in all kidney and liver complications is prompt and the benefit is permanent. It is sold under the Lux guarantee of "satisfactory results or money refunded."

Lux Membratone is a special tonic for the membranes. In catarrh of all kinds it quickly proves its superiority over all other treatments for the purpose.

W. A. Erman & Son represent the Lux organization in Newark, and as a druggist of course, has full knowledge of the value of the Lux prescriptions. He recommends them most highly.

The full list of forty Lux Remedies can be obtained from W. A. Erman & Son. It is an excellent thing to keep at home for ready reference.

The Norwegian postal authorities have under consideration an application for permission to print advertisements on the back of postage stamps. It is proposed to devote the proceeds to the erection and maintenance of a sanatorium for consumptives.

Douglas Glenda and family.

BOND GIVEN

THURSDAY BY ROBERT WILSON
UNDER A CHARGE OF MAN-SLAUGHTER.

State Must Produce Other Evidence
in McCann Trial—Day's Doings
in the Court House.

Robert Wilson, the former B. & O. engineer, who was bound over to the Common Pleas court on the charge of manslaughter in the killing of Chas. Luther, a few weeks ago, and whose bond was reduced from \$5,000, fixed by Mayor McCleery, to \$2,000, fixed by Judge Seward, has furnished bond and has been released from jail. A number of prominent citizens voluntarily came into court and signed the bond before his relatives and friends in Sabina could be heard from, when a bond had been sent to be signed up.

In the case of the State of Ohio vs. Clark Johnson and Clyde Dubois, indicted for burglary and larceny, and in which pleas were entered of guilty of larceny as charged in the indictment, Johnson was sentenced by the court to four years in the penitentiary, and Dubois to three years and a half. They were charged with the larceny of property valued at \$80 from the residence of Felix Varner on West Main street in this city. It was claimed by the state that Johnson came to the Varner residence and inquired about some chickens, and while discussing the matter of selling the chickens, Dubois entered the house and stole the property charged in the indictment. Fitzgibbon; Smythe & Smythe.

State of Ohio vs. Joseph Dermer; plea of guilty of larceny. The indictment charges defendant with taking a phonograph and records from the residence of Howard Dermer. It was claimed by the defendant that the phonograph was purchased by Joseph and Howard Dermer, brothers; that some difficulty arose growing out of the matter of the indebtedness incurred in purchasing the phonograph; and while the kitchen door was open the defendant entered and took the phonograph to his own residence. Sentenced to pay a fine of \$25 and 30 days in jail. Jail sentence suspended. Fine suspended for 30 days. Fitzgibbon; Leidigh.

State vs. George Bryson and James Farrows; plea of guilty of larceny of a small quantity of tobacco from a Pan Handle freight car. Sentenced to jail for 30 days. Sentence suspended. Fitzgibbon; Bolton. James Lees vs. Elizabeth A. Lees, for trial Tuesday, J. B. Jones, Hunter, Flory & Flory.

STATE MUST HAVE MORE EVIDENCE.

Max McCann, who was convicted and sent to the penitentiary for eight years on the charge of attempt of criminal assault on Miss Erie Ross, a deaf mute, daughter of Mr. and Mrs. Fred Ross, of this city, and whose conviction was reversed by the Circuit court, was returned to Newark Tuesday night by the warden of the penitentiary and placed in the Licking county jail. The Circuit court held that the evidence at the trial was not sufficient to convict the defendant, and on that ground set aside the conviction. This would mean that the state, in order to convict at another trial, would have to be able to produce better evidence of defendant's guilt than was produced in the former trial.

Brakeman Sues B. & O.
William H. Arnold has commenced suit against the B. & O. railroad company for \$5,000 damages for injuries alleged to have been received while in the employ of the company as a brakeman. He says that on May 29, 1907, he was on duty on the "pick up" on the C. O. division. He says that in attempting to couple on a car with a defective coupling at the Everett stone quarry, his left hand was caught and two fingers were crushed off. He says that as a result of the injury he has been permanently injured and crippled, and is incapable from performing many kinds of work and labor, and that he has been damaged in the sum of \$5,000.

Real Estate Transfers.
Henry T. Benoy and Ade L. Benoy to Homer T. Lake, 101 acres in Hartford township, \$1,185.

Ella Willson to Joseph H. Hannum real estate in Newark, \$1,550.

The Tallmadge Realty company to James A. McLean, lot 69 in the Tallmadge Place addition to Newark, \$150.

Catherine Cosgrove and others to A. J. Sherman and Shrintha S. Sherman, real estate in Madison township, \$1.

Real Estate Transfers.

J. D. Montoya and wife to A. W. Penick, south part of lot 96 in Utica, \$2,000.

The Tallmadge Realty company to Wm. E. Warrington, lot 385 in the Tallmadge Place addition No. 2 to the city of Newark, \$125.

Wm. E. Hamann to Emily Hamann real estate in Newark, \$1 and other considerations.

James M. Johns to Charles W.

Thompson part of lots 551 and 552 in Lewis Evans' addition to Newark, \$1400.

Joshua G. Stump and wife to Clyde M. Hale, lot 5242 in Cassingham & Stump's first addition to Newark, \$1 and other valuable considerations.

The Tallmadge Realty company to Robert Star, lot 306 in the Tallmadge Place addition No. 2 to the city of Newark, \$150.

Cecilia O. Hooper and husband to J. E. Wolfe and Sylvia F. Wolfe, real estate in Johnstown, \$1000.

Marriage Licenses.

Matthew Edward Finn, Toledo; Mabel Agnes Tarr, Newark.

James K. Mathews, Newark; Annie Marie Seller, Newark.

James W. Gundy, Newark; Ida M. Hickman, Newark.

Wm. A. Lynn, Newark; Clara Ferne Kneale, Newark.

Elijah P. Hayes, Granville; Josephine B. Williams, Granville.

There will be only two registration days in Newark this year, the dates being tomorrow and Saturday, October 25 and 26.

KAISER SUMMONED AS A WITNESS IN COURT SC
